There are no right or wrong answers. This is meant to get you thinking and Rethinking... on how you can begin to improve the 6 Core CLEARx areas of your organisation to create EXPONENTIAL results, and begin to embrace the oncoming disruption and the circular economy, with a Revolutionary Workplace.

A recent Trucost report for the UN assessed 100 industries in terms of their impact, and found that "The huge profits made by the world's most profitable industries (oil, meat, tobacco, mining, electronics) is being paid for against the future: we are trading long-term sustainability for the benefit of shareholders. How would you fare if you had to carry the TRUECOST?"
