

Purpose Poster - Purpose Matters in a VUCA World

Transforming Your Workplace Performance and Engagement To Achieve
EXPONENTIAL Impacts & Results built on Passion and Purpose

People - Teamwork – Leadership - Culture

If we're to regain our Soul Purpose...to sustainably succeed in the new world of work, we must RETHINK how we are learning, leading, living, loving, listening & leaving a legacy. We need resilient growth-oriented high-performance teamwork, and amazing Limitless Leadership in a high-performance-exponential-enabling culture, supporting EACH OTHER for greatest potentials.

Leaders Know PURPOSE AND MEANING are Important, Yet Many Don't Know How to Engage them.

Details: Half day High Performance Team session embeds, into the organisational culture and CONSCIOUSNESS, a clear understanding of the Values, Vision, Meaning, Mastery, and Magic of Hi performance organisations, Teams and Individuals.

Process Activity: Individuals create their own Purpose Poster (A1 size) – Clarifying their personal values, meaning strengths and areas of mastery. This is the foundation of aligning business, team and personal PURPOSE

What Is Purpose

- Explains why the company exists
- Defines the "noble ends" to which organization and employees dedicate themselves
- Provides continuity and constancy over decades
- Enables company to adapt to changing circumstances while still staying true to customer-focused purposes

Personal Purpose is shared in teams, where they create their unified TEAM Purpose Poster as well, with a combined blend of each members' perspectives and contribution.

Outcome: people get to know each other better, clarify values, personal drivers and beliefs in a fun and safe way. Collaborate, communicate and commit to a new clear team purpose, which impacts into the team and company culture.,,How We Roll Here.
