

LipSingK

High Performance Team Building Fun “Agility” Activity

People are divided into Music BANS of 3-5 per band... and provided with a range of dress-up extras...wild, whacky, colorful and creativity, are all part of the fun dress-up and excitement.

Each team has a 15 -20 minute segment on “Stage” to lip sync and hip-sync to 2 or 3 songs of their choice from our range of music. Team have LIVE microphones and full or play instruments to move, groove, rhyme, and boogie to the rhythm of their chosen songs.

Due to the nature of this team-stretch beyond your comfort-zone process, a LOT of laughter ensues during and after the LipSingK experience. It’s a hilarious process to watch, and to take part in.

The masks and dress-up, enable people to step-out-of-their-shells, and completely let-go of their usual inhibitions, constraints. It can be an eye-opener to see some of the peoples “other” Talents unleashed.

LipSingK can be facilitated as a part of a half or full day High Performance Team building Action Learning experience, or it can be run as a stand-alone ice-breaker or fun ennergisee. We provide the entire sound system; Speakers, sound desk, microphones, Stands, Instruments, dress up-kit, and a wide range of music.
